More prototype screenshots.

01

Problem vs. solution

What value does prenatal offer.

Reviews

**Value
Proposition**

Help mothers release pregnant anxiety.

Problem

**Mothers spends a lot of effort to get
accurate recommendations in time.**

**Solution
Overview**

Calendar/Data record/Recommendation

October 2022

| SUN | MON | TUE | WED | THU | FRI | SAT |
|-----|-----|-----|-----|-----|-----|-----|
| 26 | 27 | 28 | 29 | 30 | 1 | 2 |
| 3 | 4 | 5 | 6 | 7 | 8 | 9 |
| 10 | 11 | 12 | 13 | 14 | 15 | 16 |
| 17 | 18 | 19 | 20 | 21 | 22 | 23 |
| 24 | 25 | 26 | 27 | 28 | 29 | 30 |
| 31 | 1 | 2 | 3 | 4 | 5 | 6 |

October 24, 2022

Week 5

Add Event +

09:00 - 10:00

Prenatal Visit (Dr. Jeff)

11:00 - 13:00

Shopping at AAD Store

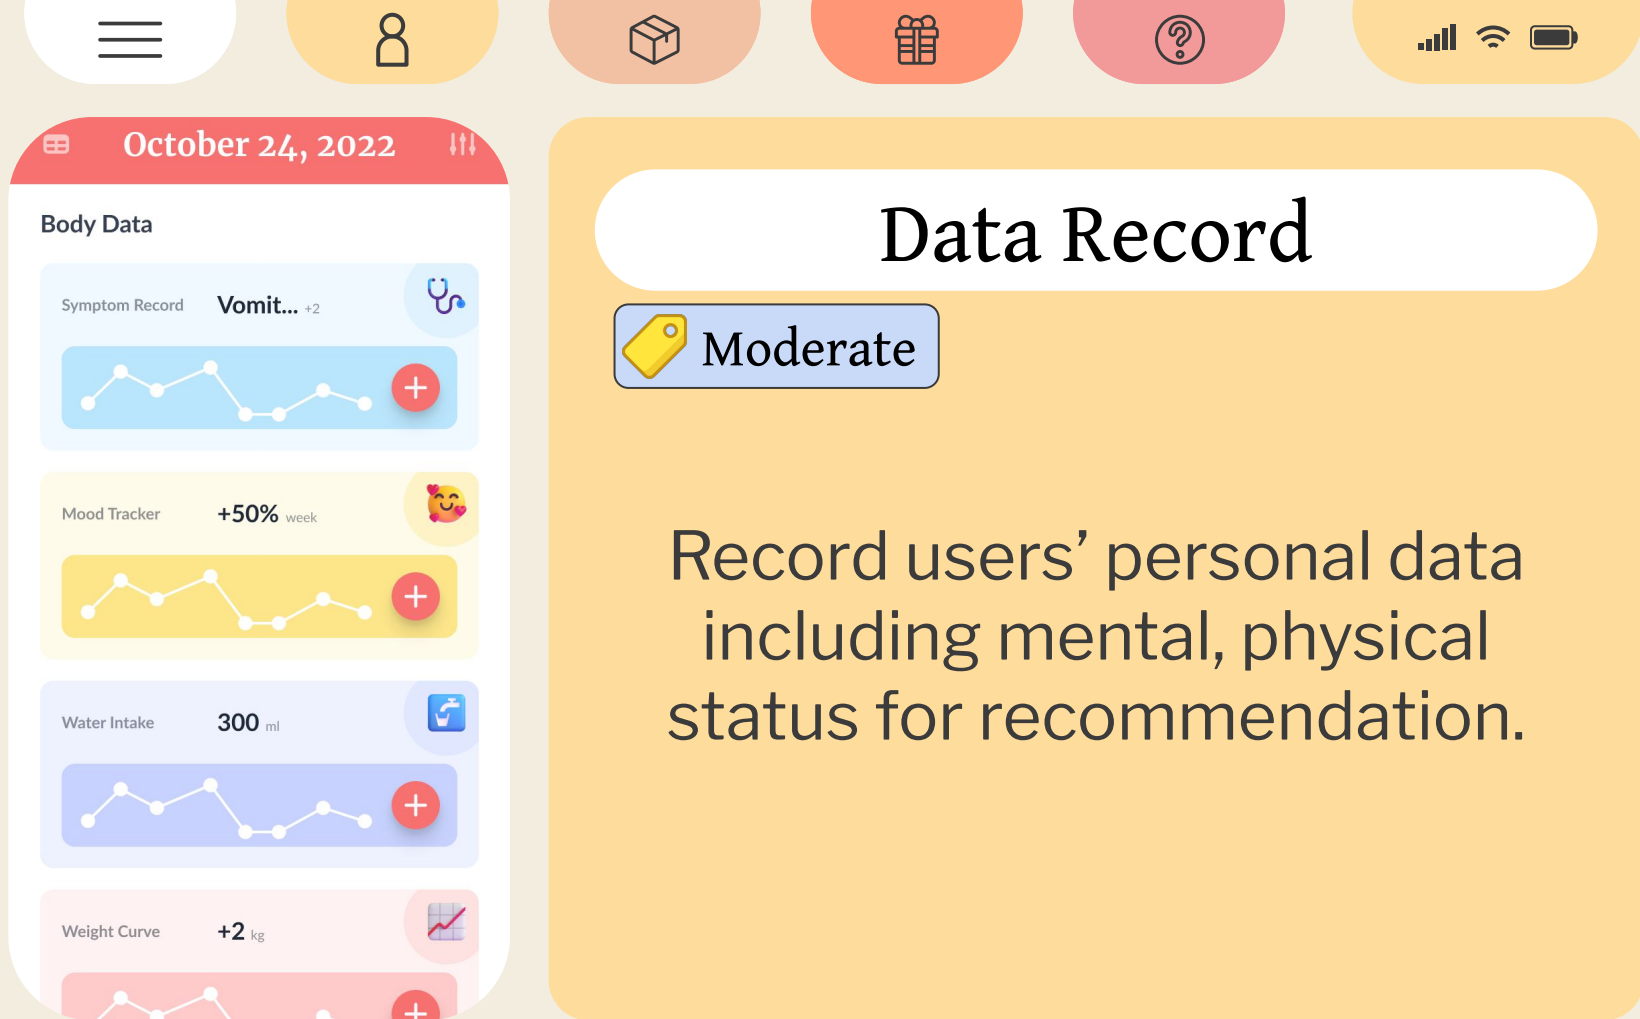

Calender

Simple

A reminder for prenatal visit
and other events related to
pregnancy according to
pregnancy week.

Library

Recommendation

Complex

Personal recommendations
given by user input
information and pregnancy
week.

02

Revised UI design

Low fi vs Medium fi prototype

Preñada

Navigation bar

1. Icon are not intuitional.
2. Functions are different.

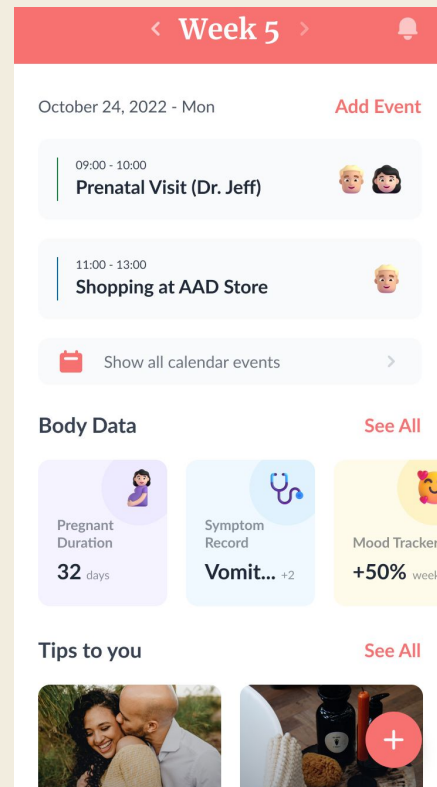

Main page

Unintuitive calendar entry

Weekday may not be necessary

Not enough information, mix too many functions.

Calendar

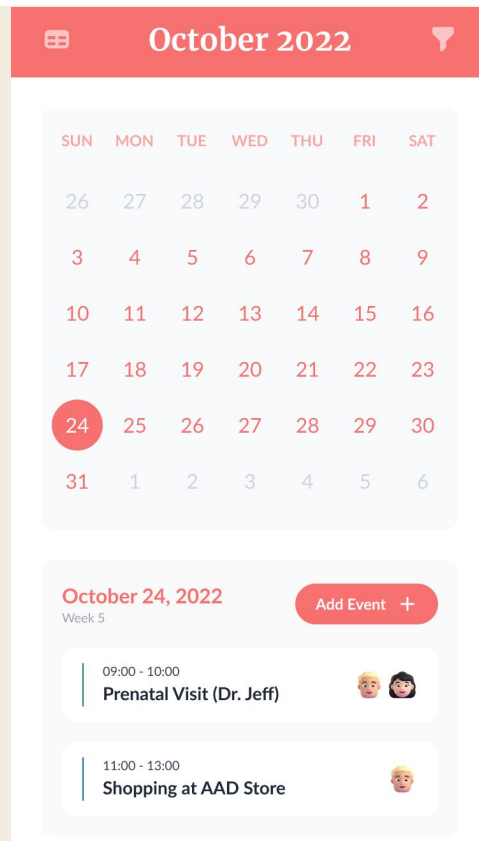

Unintuitive filter.

Easier to check the dates for last month.

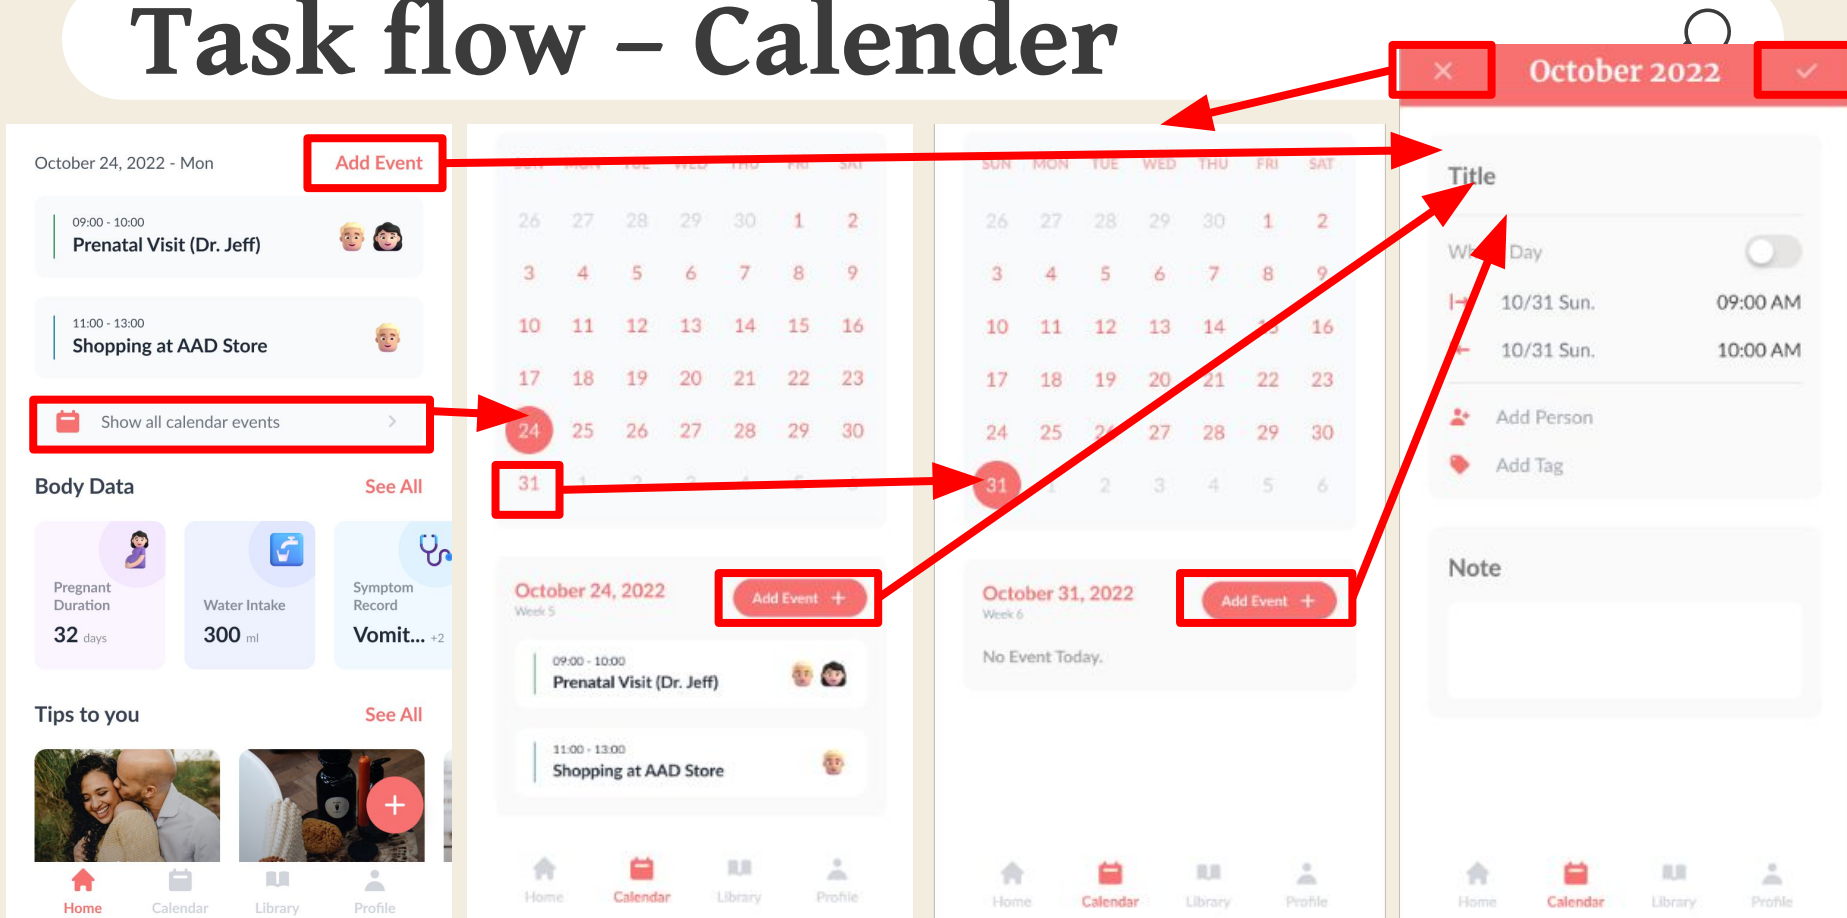

Unintuitive month/year switch.

Add event can take less space.

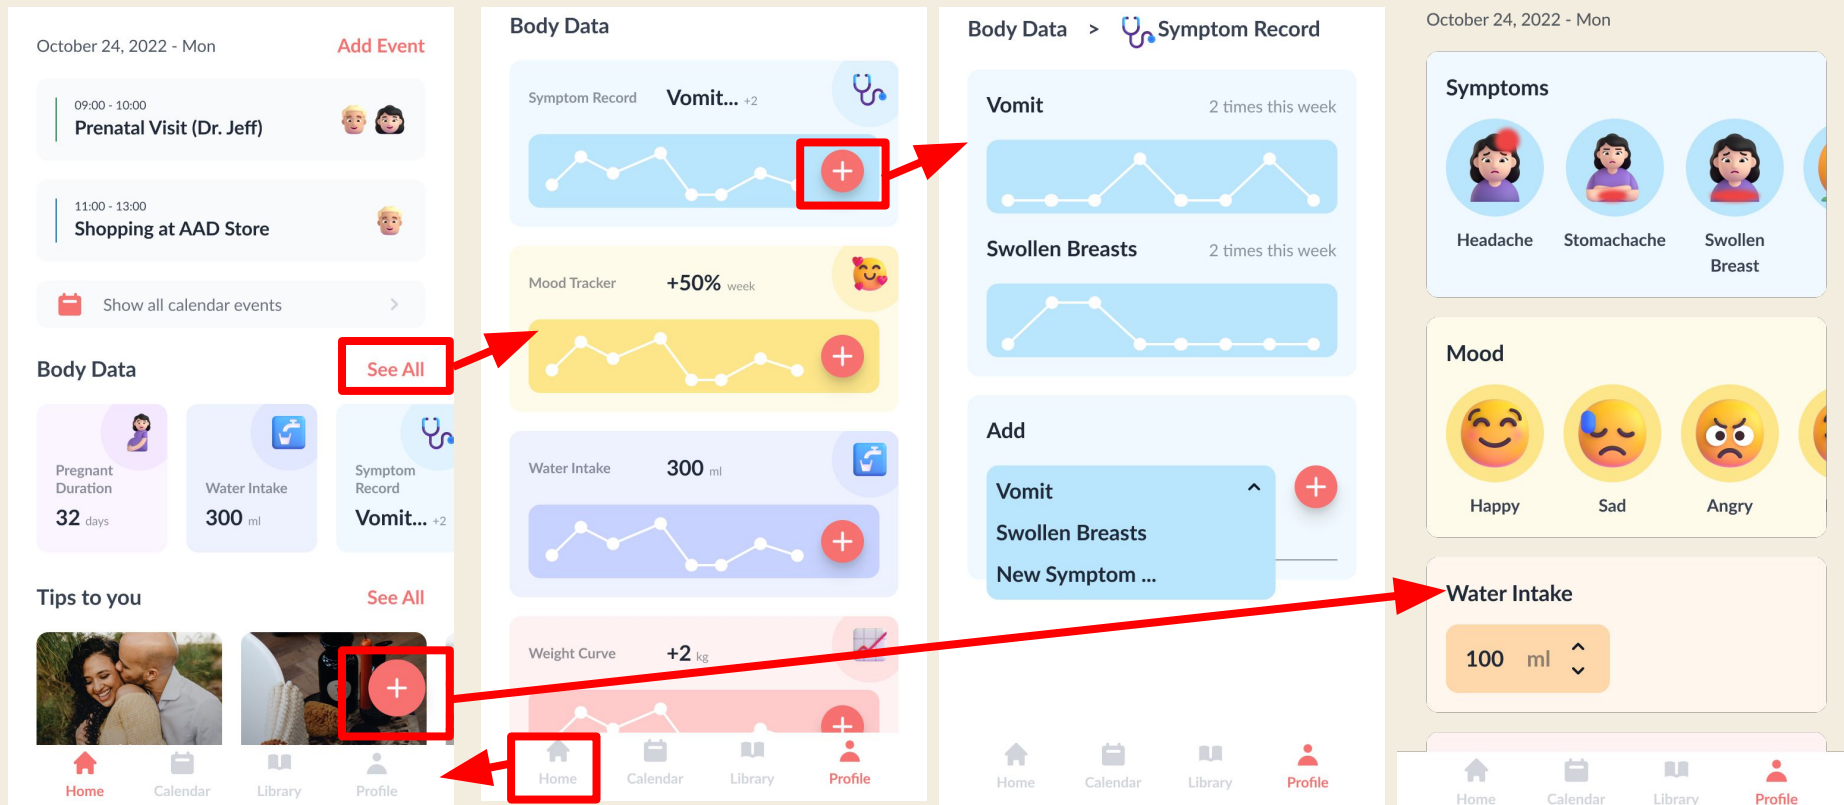

Task flow – Calender

Knowledge support

Lorem ipsum dolor sit amet, consectetur adipiscing elit.
Etiam eu turpis molestie, dictum est a, mattis tellus. Sed
dignissim, metus nec ...

Planning together

Lorem ipsum dolor sit amet, consectetur adipiscing elit.
Etiam eu turpis molestie, dictum est a, mattis tellus. Sed
dignissim, metus nec ...

As you faces the changes in your body, your identity,
and the rush of hormones of the first trimester, you
can expect moodiness along with some depressed
and anxious feelings. Usually all your partner needs is
good, non-judgmental ear and lots of extra love.

According to your status, we recommend the
following methods:

Sync up your wants and needs

Lorem ipsum dolor sit amet, consectetur adipiscing elit.
Etiam eu turpis molestie, dictum est a, mattis tellus. Sed
dignissim, metus nec ...

Delay criticisms

Lorem ipsum dolor sit amet, consectetur adipiscing elit.
Etiam eu turpis molestie, dictum est a, mattis tellus. Sed
dignissim, metus nec ...

Watch out for prenatal depress

Lorem ipsum dolor sit amet, consectetur adipiscing elit.
Etiam eu turpis molestie, dictum est a, mattis tellus. Sed
dignissim, metus nec ...

Prototype Overview

Limitations, benefits and tradeoffs

Preñada

Prototype Link

<https://www.figma.com/file/O1C889jFTMxB14oJe7DU29/Pre%C3%B1ada?node-id=195%3A5209>

Prototype tools

Pros

- Easily reuse components.
- Real time collaboration.
- Many plugins
- Prototype mode
- Can export to CSS

Cons

- No user friendly image editing tool
- Can't work offline
- No version control
- Comments are hard to follow.

Limitations / Tradeoffs

Limitation

- Not implement recommend algorithm.
- Don't know what data are really needed.

Tradeoff

- Multiple functions vs. focus on one.
- Show all data in one page vs. categorize them.

Hard coded features

| SUN | MON | TUE | WED | THU | FRI | SAT |
|-----|-----|-----|-----|-----|-----|-----|
| 26 | 27 | 28 | 29 | 30 | 1 | 2 |
| 3 | 4 | 5 | 6 | 7 | 8 | 9 |
| 10 | 11 | 12 | 13 | 14 | 15 | 16 |
| 17 | 18 | 19 | 20 | 21 | 22 | 23 |
| 24 | 25 | 26 | 27 | 28 | 29 | 30 |
| 31 | 1 | 2 | 3 | 4 | 5 | 6 |
